Traversal of notice of Non-compliance

Commissioner For Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Notice of Non-Compliant Amendment dated September 28, 2007, applicant herewith TRAVERSES the indication that the previous amendment was non-compliant.

The notice of Notice of noncompliance admits the sheets were labeled as replacement sheets. However, this notice attempts to hold these as being noncompliant because they contain "markings showing changes". However, since these were INFORMAL drawings, it is perfectly acceptable for the changes on these drawings to be informal - e.g., in the form of 'markings'.

Appl. No. : **09/669,805**
Filed : **September 26, 2000**

Accordingly, these were properly replacement sheets, albeit informal replacement sheets. The indication that the previous amendment was noncompliant is hence respectfully traversed

.

Respectfully submitted,
